

# APPENDIX I

The zone supervisor's (ZS's) tickler is provided as a guide to assist you in planning. Suggested uses include copying the information on 5 by 8 index cards for a ZS working tickler or copying the pages and including them in your ZS notebook.

The tickler is by no means all-inclusive. Personalize it with your own requirements and reminders. Update the tickler with new items as they are issued. You may want to add more information such as meeting dates, required training topics, recruiter itinerary days, DEP meeting schedules, and other activities that impact your schedule.

Before making out your monthly itinerary or planning a meeting agenda, take a few minutes to review the tickler items.
